Letter to the Editor

Dear Editor,

I am working on the cover pattern on Summer K111 issue of Knitter's. I find your directions confusing. Sometimes you use 10 numbers in sizing and other times only 5. If you are going to have 10 sizes why not just do 10 numbers throughout the instructions?

Charlotte L.

Dear Charlotte,

In the interest of offering more refined sizing while saving space, we use 5 numbers instead of 10 when the adjoining sizes share numbers. It's just like using one number for all sizes when that is appropriate.

Here's how the 10 numbers work with the 5 numbers.

1 (2, 3, 4, 5, 6, 7, 8, 9, 10)

1 (2, 3, 4, 5)

1 (2, 3, 4, 5, 6, 7, 8, 9, 10)
1 (2, 3, 4, 5)

The first 2 numbers in the series of 10 go with the first number in the series of 5. The third and fourth of the 10, with the second of 5. The fifth and sixth with the third. The first color-coded pair (seventh and eighth numbers) go with the first color-coded number of the 5, and the last 2 colored numbers in the series of 10 go with the last colored number in the series of 5.

As you start a pattern, decide which size will work for you. As you do so, make a mental (or a sticky) note as to which number in the series of 10 belongs to your size, and which in the series of 5 as well.

For example, if you are making the third size, mark the second bold number of the 10 and the second number of the 5.

Thanks and I hope this helps you feel more confident when trying one of our 1-in-Ten patterns and that soon you will be rewarded with a knit that fits you very well!

Life lesson

Picture perfect raglans . . . by Rick Mondragon

4 sections come together . . .

... like miters in a frame!

Join for square neck or shape the front.

shoulder line

Should you decide to raise the back neckline you would shape the top of the sleeve and lower the front.

Pointed or narrow sleeve top would create a boat-neck, a raglan will benefit from neck shaping . . . a crew, scoop, or V-neck.

Straight neck

Shaped neck

Raglans are often seen as casual, practical gear — sweatshirts or athletic jackets and tops — not necessarily fashionable or flattering, but comfortable. With armhole shaping at close to a 45-degree angle, the armhole seams are set further from the shoulder joint than those in a set-in sleeve or drop-shoulder garment, and the raglan offers plenty of mobility. The raglan sleeve cap is the same depth as the armhole, and the seam travels from neck edge to underarm.

But no one said that comfort has to be ugly or boring, and our great group of raglan sweaters proves the point.

Shoulder interest

The 4 shaping lines can be formed by either increases or decreases, depending on the direction in which the sweater or its pieces are knit. Yes, the sweater can be constructed in multiple ways: in a single piece from neck to hem, in pieces from hem to neck — even in pieces to the underarm, then as one to the neck. The first option involves increase-shaping for the raglan; the latter two use decrease-shaping. And if pieces are worked from neck to hem, they involve increase-shaping as well.

Four miters make a raglan

If you lay the front and back yokes and the sleeve caps flat in the configuration in which they will be assembled, you see that they create 4 miters — much like a picture frame.

Increase or decrease rates

Those miters are often made by placing increases or decreases in an every-other-row sequence. And if the stitch and row gauges differ, the angle is not a perfect 45 degrees. For example, a stockinette gauge of 5 stitches and 7 rows to 1" worked with every-other-row shaping creates a slightly larger angle.

Working 14 rows with RS-row-shaping creates 2 inches of height, but the 7 additional or fewer stitches on each edge only change the width by 1 $\frac{1}{2}$ ". In garter stitch, the angle would be closer to 45 degrees because the row gauge is twice the stitch gauge.

Designating pairs

Because the shaping is placed on each edge of a piece, there are mirrored diagonals on opposing edges. We call those *increase pairs* or *decrease pairs*. When working in the round the same principles apply, but we tend to think of the shaping on either side of a diagonal as a *pair*. However you look at things, remember that it takes 4 pairs of decreases or increases to shape the 4 raglan lines.

Top down? Hem up? You decide!

There are benefits to knitting a raglan in one piece from the neck down. You eliminate seaming. Colors flow across rows. You can try on the knit as you go. You can choose mirrored increases or more decorative yarn-over eyelets for the shaping. And you start with fewer stitches, increase to many, and then break body and sleeves apart into smaller groups of stitches.

Knitting from the hem to the neck offers similar advantages if you join the body and sleeves for the yoke; you'll use mirrored decreases for the raglans.

Take notice!

Important to note is how the shaping at the top of the sleeve contributes to the neck area: it can be narrow, end in a point, maintain the same width as the body pieces, or even be contoured at an angle. Much like a picture frame, the neckline is shaped as a square or rectangle but with added neck shaping in the front (and sometimes the sleeve). Necklines are shaped to maintain a comfortable fit. When the sleeve ends in a point or with relatively few stitches, the neck will require more shaping to avoid the restriction of a boat neck.

Enjoy!

As we take raglans beyond just being comfortable, you will see how beautiful they can be. Our small ponchos (with 4 identical sections), hoodie, cardigans, pullovers — one with a zipper accent — and even a sleeveless tunic are flattering and fun. But that isn't all... there's also a one-piece round-yoke pullover that employs **more** than the 4 pairs of decreases just to prove the magic of decrease shaping.

When "warm and fuzzy" comes to life, who can resist? Playful and cozy, these winter hats will stand out in a crowd while chasing chills. Make one or all three.

Yarns

Notes 1 The Zitron Unisono is particularly suited to this shawl because it has long color repeats. Each pennant uses approximately 10 yds/9m. **2** To balance color on both halves of the shawl, knit 2 or 4 pennants from each color in MC yarn, plus 1 pennant in CC for the center, for a total of 11 (13). **3** Start each pennant and each I-cord at the beginning of desired color. If you want the pennant to be all one color, cut yarn at color change, then begin again at next repeat of the same color. The cut pieces of yarn can be used to work other pennants. **4** Pull down on the cast-on tail after Rows 2 and 3 to help define the pennant point.

Pennants MAKE 11 (13)

With 2 double-pointed needles (dpn), and using a long-tail cast-on, cast on 3 as follows: place slip knot on dpn, thread one bead onto tail and slide up against needle, cast on 2—3 stitches. **Row 1** (RS) kf&b twice, k1 tbl—5 stitches. **Rows 2, 4 and 6** Sl 1, purl to last stitch, k1 tbl. **Row 3** Sl 1 wyif, kf&b, p1, kb&f, k1tbl—7 stitches. **Row 5** Sl 1 wyif, kf&b, p1, k1, p1, kb&f, k1tbl—9 stitches. **Row 7** Sl 1 wyif, kf&b, [p1, k1] to last 3, p1, kb&f, k1tbl—2 stitches increased. Repeat Rows 6 and 7 nine more times—29 stitches. Cut yarn and place on hold.

Join pennants

With WS facing and CC pennant in center, place all pennants on smaller circular needle in balanced or desired color arrangement—319 (377) stitches. With MC, p28, [p2tog (last stitch from one pennant with first stitch from next), p27] 10 (12) times, p1—309 (365) stitches. Mark center stitch of CC pennant.

(continues on page 26)

Knit into front and back (kf&b)

1 Knit into front of next stitch on left needle, but do not pull the stitch off needle.

2 Take right needle to back, then knit through the back of the same stitch.

3 Pull stitch off left needle. The result is a right increase, used at right edge of the pennants.

Join front neck and shoulders

Next row P20 (23, 23, 26) left shoulder stitches, using cable cast-on, cast on 30 (30, 36, 36), p20 (23, 23, 26) held stitches from right shoulder — 70 (76, 82, 88) stitches. Continue in stockinette stitch until Front measures 6 (6, 7, 8") from picked-up edge of Saddle, end with a WS row. Do not cut yarn.

Join Front to Back

K70 (76, 82, 88) across Front, cast on 16 (20, 24, 28) for underarm, k70 (76, 82, 88) held stitches across Back, cast on 16 (20, 24, 28) for underarm — 172 (192, 212, 232) stitches. Place marker and join to work in the round. Work even in stockinette until piece measures 13" from underarm cast-on.

Next round Knit, decreasing 2 evenly spaced around — 170 (190, 210, 230) stitches. Change to smaller 60cm (24") circular needle. Work Rounds 1–6 of Chart 2 twice. Bind off in pattern.

Right Sleeve

With RS facing, larger needle, and beginning at bottom of armhole, PUK31 (31, 36, 41) along front armhole edge to Saddle, pm, [k2tog, (k1, p2, k4, p2, k1) twice, SSK] across holder, pm, PUK31 (31, 36, 41) along back armhole edge — 84 (84, 94, 104) stitches. Do not join. Beginning with Row 4 of Chart

Across each saddle, the neckband stitches will be off by half a stitch because you pick up from the cast-on. No problem — it's virtually undetectable.

1, work even in stockinette and Chart 1 until sleeve measures 2 (2, 3, 3"), end with Row 5. **Next row**

Purl to marker decreasing 1 (1, 2, 1), work Row 6 of Chart 1 to marker, purl to end decreasing 1 (1, 2, 1) — 82 (82, 90, 102) stitches. Work Rows 1–6 of Chart 3 twice. Bind off in pattern.

Left Sleeve

Work as for Right Sleeve.

Finishing

Neckband

Remove temporary cast-on from Saddle and place stitches on needle. With RS facing, 40cm (16") circular needle, and beginning at left back neck, [[k2tog, (k1, p2, k4, p2, k1) twice, SSK] along Saddle, pm, PUK3 for every 4 rows AND 1 stitch for every cast-on stitch to next Saddle, pm] twice. Place marker and join to work in the round. Count stitches between Saddles and adjust to a multiple of 4 + 2 across the front and also across the back on the next round if necessary. Beginning with Row 4 of Chart 4, [work chart to marker, p2, (k2, p2) to marker] twice. Continue in patterns as established for 8 more rounds. Bind off in pattern.

Block. Sew sleeve edges to underarm cast on. Sew remaining sleeve seams. □

Sheer and solid stripes define this ethereal vest. The shaping is simple so the piece can flow into different configurations as you move through your day.

Twisted cord

- Cut strands 6 times the length of cord needed. Fold in half and knot cut ends together.
- Place knotted end over a door knob or hook and place right index finger in folded end, then twist cord tightly.
- Fold cord in half, smoothing as it twists on itself. Pull knot through original fold to secure.

Finishing

Slightly full elbow patches and pockets in washer (see instructions). Lay flat to dry; coax into shape with a steam iron if necessary.

Pocket bands

With 4.5mm/US7 needles and MC, PUK26 stitches along decrease edge of pocket. Work 7 rows K2, P2 Rib. Bind off loosely in pattern. Attach pockets to fronts using overcast stitch, placing pockets to align with pick-up row in front band and first row of stockinette in body. Try on jacket and mark elbow patch placement, making sure to place center of elbow patch at elbow point, and edge along under side of sleeve. Attach with overcast stitch.

Block. Sew on buttons. ☺

Fulling plain & simple (by machine)

Protect your washer from excess fiber; place item to be fulled into a zippered pillow protector or fine mesh bag. Set washer for hot wash, low water level, and maximum agitation. (Using the rinse and spin cycles is not recommended as they may set permanent creases.) Add a small amount of mild detergent and two old towels (non-shedding) or pairs of jeans for abrasion. Check on the progress every few minutes. Every time you check the progress, pull the item into shape. Reset the washer to continue agitation if necessary. When you are happy with the size, remove from washer. Rinse thoroughly in warm water. Roll in towels to remove as much water as possible. Pull into shape and lay flat to dry.

- Place in mesh bag (or pillowcase).

- Place in washer (with hot water and soap) and agitate...

... checking progress every few minutes.

- Roll in towel to remove excess moisture.

WORKING SMART

Working with multicolored yarns is an adventure. Sometimes everything falls into place, and other times it goes astray. In this piece, our brightly colored yarn was more exciting when the colors were allowed to argyle and pool.

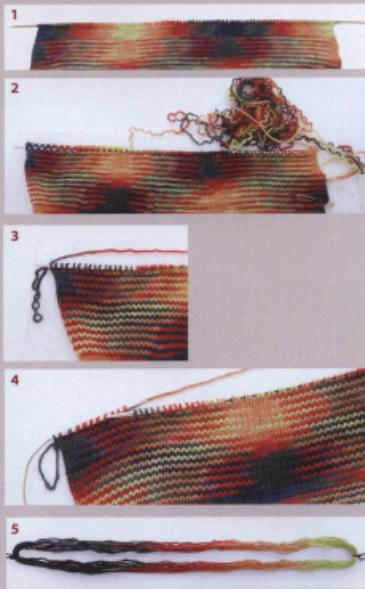

As I knit, I encountered a potential problem. The pattern changed, and colors started to stack in columns (photo 1). Maybe my tension changed, or the yarn was at fault—maybe the tension varied as the yarn was wound into a hank before it was dyed.

I had to adjust and get the pattern back in sync. I ripped back (photo 2), left 5 inches of yarn hanging to the side unworked (photo 3), and resumed knitting (photo 4). It only took 10–12 stitches to show me I was back on track.

When I added the next ball of yarn, I took great care to match the colors so the repeats would continue. The pattern changed slightly, forming a deeper argyle. I didn't mind the difference and continued working. When I finished, I realized I was going to choose the reverse side with its more intricate stripe pattern as the highlight of this raglan sweater.

Be aware that argyleing and pooling will be different for the different sizes. Before you cast

on, make a few loops of the yarn, aligning the colors (photo 5). With the gold and navy centered at either end, analyze the color sequence. The other colors line up across both sides of the loop. If you begin the long-tail cast-on at ANY POINT other than where the 2 ties are placed, you will avoid color stacks.

An all-over lacy knot stitch is perfect when made with two yarns worked as one. The variegated strand blends and contrasts throughout the fabric, while the solid strand keeps the color grounded. The simple outline is worked with raglan shaping in an elongated sequence of decreases.

Front

Section A

With A and B held together, cast on 101 (110, 119, 131, 140). Knit 2 rows. Work in Cluster Stitch for 10", end with a WS row. [Dec 1 each side of next row; work 3 rows even, Dec 1 each side of next row; work 5 rows even] 4 (4, 5, 5, 5) times—85 (94, 99, 111, 120) stitches. **Check length** Piece measures approximately 16 (16, 16, 17, 17)".

Section B

Mark each side of last row for side seam. Dec 1 each side of every row 4 (4, 6, 8) times, then every 2 rows 6 (8, 6, 9, 9) times—65 (70, 75, 81, 86) stitches. **Check length** Piece measures approximately 18 (19, 19, 20, 21)". Mark each side of last row for side seam.

Section C

[Dec 1 each side of next row; work 3 rows even] 10 times—45 (50, 55, 61, 66) stitches. **Check length** Piece measures approximately 26 (27, 27, 28, 29)". Bind off firmly.

Back

Work as for Front EXCEPT after working Section C decreases, work even on 45 (50, 55, 66, 66) stitches for 2". **Check length** Piece measures approximately 26 (27, 27, 28, 29)". Bind off firmly.

Finishing

Work edging and straps with 2 strands of A held together and crochet hook.
Crochet edging

These stitches stabilize the edge and keep it from stretching, so practice on your swatch to determine the number of slip stitches to work.

Row 1 With RS of Front facing, slip-stitch crochet across bound-off stitches. **Rows 2 and 3** Slip-stitch crochet across previous row. Roll edging to WS and stitch down. Repeat for Back.

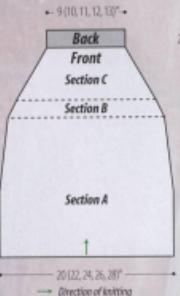

Sew Section B of Front and Back together at sides between markers.

Straps MAKE 2

Work a firm crocheted chain 5" long. Stretch and steam chain to set the stretch. Sew a chain securely to WS at each end of top of Front; pin to Back to try on; adjust length and sew to Back. Attach yarn at Back where strap joins body and work single crochet around strap to cover. Fasten off and securely join to Front.

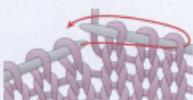

COWL

With 1 strand of A, cast on 50. Knit 2 rows. Work even in Cluster Stitch for 30", end with a WS row. Knit 2 rows. Bind off. Sew cast-on edge to bound-off edge. ↗

Body

With smaller circular needle and MC, cast on 132 (144, 156, 174). Place marker (pm) and join to work in the round, being careful not to twist stitches. Knit 6 rounds.

Secure rolled hem: Next round [K5, track next stitch down to cast-on edge to find corresponding cast-on stitch and, rolling cast-on edge to RS, insert right needle through cast-on stitch and place on left needle, k2tog (picked-up stitch with next stitch on left needle)] to end. **Next round** Knit, increasing 0 (2, 4, 0) evenly around—132 (146, 160, 174) stitches. Knit 1 round.

Change to larger circular needle. Work in stockinette until piece measures 16½ (16½, 17, 17)“.

Divide for yoke

Next round K73 (80, 88, 95), put last 14 (14, 16, 16) worked on hold for underarm, knit to 7 (7, 8, 8) before marker, place next 14 (14, 16, 16) on hold for underarm. Do not cut yarn. Set aside.

Sleeves

With smaller double-pointed needles (dpns) and MC, cast on 36 (36, 42, 42). Place marker and join to work in the round, being careful not to twist stitches. Knit 6 rounds. Secure rolled hem as for Body.

Next round Knit, increasing 0 (1, 0, 1) evenly around—36 (37, 42, 43) stitches. Knit 1 round.

Change to larger dpns. Continuing in stockinette, [work 9 (8, 7, 7) rounds even; Inc 1 each side of marker next round] 8 (9, 10, 11) times—52 (55, 62, 65) stitches. Work even until piece measures 19 (19, 19½, 19½)“.

Next round Knit to 7 (7, 8, 8) before marker, place next 14 (14, 16, 16) on hold for underarm—38 (41, 46, 49) stitches. Cut yarn.

Yoke

Joining round With yarn from body, k38 (41, 46, 49) sleeve stitches, k52 (59, 64, 71) body stitches, k38 (41, 46, 49) sleeve stitches, k52 (59, 64, 71) body stitches—180 (200, 220, 240) stitches.

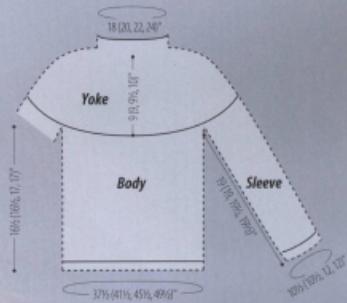

Place marker and knit 1 round. Work 42 (44, 46, 48) rounds of Chart—63 (70, 77, 84) stitches.

Neck facing

With MC, knit 1 round, decreasing 1 (0, 1, 0) evenly around—62 (70, 76, 84) stitches. Change to smaller dpns. Work in K1, P1 Rib for 6 rounds. Bind off loosely.

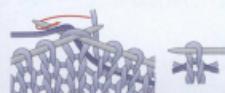

Finishing

Fold ribbed facing to inside of yoke and sew loosely in place. Graft underarm stitches together. Block. □

Knit Wise

Weaving the carries

To weave the carry above a knit stitch:
Insert needle into stitch and under
woven yarn, then knit the stitch as usual.

WS shows carry woven above a knit
stitch every fourth stitch.

We treat the guys to a stunning pullover with lots of interest. The three textures, playful stripe combo, and stair-step yoke are ruggedly handsome, yet tailored.

NOTES

See School, page B6, for abbreviations and techniques.

The first and last stitch of each row are worked in garter throughout as edge stitches.

Shaping in pattern: if the shaping breaks up any yarn-over/decrease pair, do not work the yarn-over or the decrease; simply knit or pur to the next pair.

Back begins and ends with rib at sides for a continuous appearance when seamed to fronts.

Knit under

Knit under the strand before the next stitch.

Back

With A, cast on 109 (121, 133, 145, 157). Work in K1, P1 Rib for 1½", end with a RS row. Purl 1 row. *Next row* Begin Stitch Pattern and work until piece measures 13 (13½, 14, 14½, 15)", end with a WS row.

Shape armhole

Next row (RS) At the beginning of every row, bind off 4 twice, then 2 stitches 6 times. Dec 1 each side every RS row 2 (4, 6, 8, 10) times—85 (93, 101, 109, 117) stitches. Continue in pattern until armhole measures 8½ (9, 9½, 10, 10½)", end with a WS row.

Shape shoulders

At the beginning of every row, bind off 4 (4, 5, 6, 6) stitches 6 (2, 4, 10, 6) times, then 5 (5, 6, 0, 8) stitches 4 (8, 6, 0, 4) times. Place remaining 41 (45, 45, 49, 49) stitches on hold.

Left Front

With A, cast on 47 (53, 59, 65, 71). Work in K1, P1 Rib for 1½", end with a RS row. Purl 1 row.

Begin Stitch Pattern: *Row 1 (RS)* Work Stitch Pattern to last 2 (0, 2, 0, 2) stitches, k2 (0, 2, 0, 2). *Row 2 P2* (0, 2, 0, 2), work Stitch Pattern to end. KNIT CAST-ON

1 Start with a slip knot on left needle (first cast-on stitch). Insert right needle into slip knot from front. Wrap yarn over right needle as if to knit.

2 Bring yarn through slip knot, forming a loop on right needle.

3 Insert left needle under loop and slip loop off right needle. One additional stitch cast on.

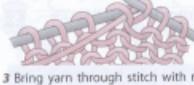

4 Insert right needle into last stitch on left needle as if to knit. Knit a stitch and transfer it to the left needle as in Step 3. Repeat Step 4 for each additional stitch.

PURL

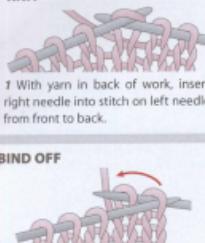

1 With yarn in front of work, insert right needle into stitch from back to front.

2 Bring yarn over right needle from front to back.

3 Bring yarn through stitch with right needle. Pull stitch off left needle. Repeat Steps 1–3.

KNIT

1 With yarn in back of work, insert right needle into stitch on left needle from front to back.

2 Bring yarn between needles and over right needle.

3 Bring yarn through stitch with right needle. Pull stitch off left needle.

Knit stitch completed.
Repeat Steps 1–3.

BIND OFF

Knitwise

1 Knit 2 stitches.

2 With left needle, pass first stitch on right needle over second stitch (above) and off needle: 1 stitch bound off (next drawing).

3 Knit 1 more stitch.

4 Pass first stitch over second.

Repeat Steps 3 and 4.

When last loop is on right needle, break yarn and pull tail of yarn through loop to fasten (see Fasten off).

Purlwise

Work Steps 1–4 of Bind-off
Knitwise EXCEPT, purl the stitches
instead of knitting them.

FASTEN OFF

Work bind-off until only 1 stitch remains on right needle. If this is the last stitch of a row, cut yarn and fasten off stitch as shown above. Otherwise, this is the first stitch of the next section of knitting.

working from charts

Charts are graphs or grids of squares that represent the right side of knitted fabric. They illustrate every stitch and the relationship between the rows of stitches.

Squares contain knitting symbols.

The key defines each symbol as an operation to make a stitch or stitches.

The pattern provides any special instructions for using the chart(s) or the key.

The numbers along the sides of charts indicate the rows. A number on the right side marks a right-side row that is worked leftward from the number. A number on the left side marks a wrong-side row that is worked rightward. Since many stitches are worked differently on wrong-

side rows, the key will indicate that, if the pattern is worked circularly, all rows are right-side rows and worked from right to left.

Bold lines within the graph represent repeats. These set off a group of stitches that are repeated across a row. You begin at the edge of a row or where the pattern indicates for the required size, work across

to the second line, repeat the stitches between the repeat lines as many times as directed, then finish the row.

The sizes of a garment are often labeled with beginning and ending marks on the chart. This avoids having to chart each size separately.

INVISIBLE CAST-ON

A temporary cast-on

1 Knot working yarn to contrasting waste yarn. Hold needle and knot in right hand. Tension both strands in left hand; separate strands so waste yarn is over index finger, working yarn over thumb. Bring needle between strands and under thumb yarn so working yarn forms a yarn-over in front of waste yarn.

2 Holding both yarns taut, pivot hand toward you, bringing working yarn under and behind waste yarn. Bring needle behind and under working yarn so working yarn forms a yarn-over behind waste yarn.

3 Pivot hand away from you, bringing working yarn under and in front of waste yarn. Bring needle between strands and under working yarn, forming a yarn-over in front of waste yarn. Repeat Steps 2-3 for required number of stitches. For an even number, twist working yarn around waste strand before knitting the first row.

I-CORD

I-cord is a tiny tube of stockinette stitch, made with 2 double-pointed needles.

1 Cast on 3 or 4 sts.

2 Do not turn work. Slide stitches to opposite end of needle. Knit.

Repeat Step 2 until cord is the desired length.

CABLE CAST-ON

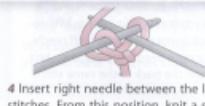

A cast-on that is useful when adding stitches within the work

1-2 Work as for Steps 1 and 2 of Knit Cast-on in Beginner Basics.

3 Insert left needle in loop and slip loop off right needle. One additional stitch cast on.

4 Insert right needle between the last 2 stitches. From this position, knit a stitch and slip it to the left needle as in Step 3. Repeat Step 4 for each additional stitch.

R AND L LIFTED INCREASE

For a R lifted increase: knit into next loop of stitch in row below next stitch on left needle (1), then knit stitch on needle (2).

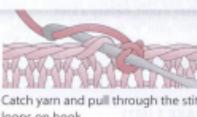

For a L lifted increase: k1, then knit into left loop of stitch 2 rows below last stitch knitted (3).

SINGLE CROCHET (SC)

1 Insert hook into a stitch, catch yarn and pull up a loop. Catch yarn and pull through the loop on the hook.
2 Insert hook into next stitch to the left.

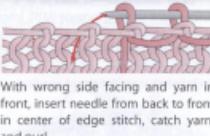

3 Catch yarn and pull through the stitch; 2 loops on hook.

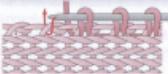

4 Catch yarn and pull through both loops on hook; 1 single crochet completed. Repeat Steps 2-4.

PICK UP & PURL (PUP)

With wrong side facing and yarn in front, insert needle from back to front in center of edge stitch, catch yarn and purl.

With right side facing and yarn in back, insert needle from front to back in center of edge stitch, catch yarn and knit a stitch. (See stockinette left, garter right.)

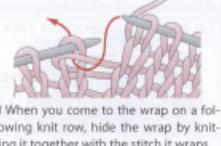

SHORT ROWS (W&T)

Each short row adds two rows of knitting across a section of the work. Since the work is turned before completing a row, stitches must be wrapped at the turn to prevent holes. On stockinette stitch, work a wrap as follows:

Knit side

1 With yarn in back, slip next stitch as if to purl. Bring yarn to front of work and slip stitch back to left needle (as shown). Turn work.
2 With yarn in front, slip next stitch as if to purl. Work to end.

3 When you come to the wrap on a following knit row, hide the wrap by knitting it together with the stitch it wraps.

1 With yarn in front, slip next stitch as if to purl. Bring yarn to back of work and slip stitch back to left needle (as shown). Turn work.
2 With yarn in back, slip next stitch as if to purl. Work to end.

3 When you come to the wrap on a following purl row, hide the wrap by purling it together with the stitch it wraps.

KNIT INTO FRONT & BACK (kf&b)

1 Knit into front of next stitch on left needle, but do not pull the stitch off needle.
2 Take right needle to back, then knit through the back of the same stitch.

3 Pull stitch off left needle. Completed increase: 2 stitches from 1 stitch. This increase results in a purl bump after the knit stitch.

SLIP STITCH CROCHET

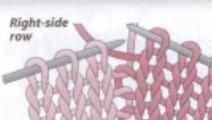

1 Insert the hook into a stitch, catch yarn, and pull up a loop.

2 Insert hook into the next stitch to the left, catch yarn and pull through both the stitch and the loop on the hook; 1 loop on the hook. Repeat Step 2.

INTARSIA

Making a twist: Work across row to color change, pick up new color from under the old and work across to next color change.

YARN OVER (YO)

Between knit stitches

Bring yarn under the needle to the front, take it over the needle to the back and knit the next stitch.

After a knit, before a purl

Bring yarn under the needle to the front, over the needle to the back, then under the needle to the front; purl next stitch.

After a purl, before a knit

With yarn in front of the needle, bring it over the needle to the back; knit next stitch.

INSERTING ZIPPER

Although the knitted fabric has stretch, the zipper does not, and the two must be joined. Follow these steps for a smooth installation:

1 Measure the length of the opening. Select a zipper that length or a bit longer.

Measure

2 Pre-shrink your zipper in the method you will use to clean the garment. Wash and dry or carefully steam it (you don't want to melt the teeth if they are plastic or nylon).

Pin

3 Place the zipper in opening, aligning each side. Allow extra length to extend beyond opening.

Baste

4 Pin in place. Be generous with the pins, and take all the time you need. Extra care taken here makes the next steps easier.

Sew

5 Baste in place. When you are satisfied with the placement, remove the pins.

6 Sew in the zipper, making neat, even stitches that are firm enough to withstand use.

7 Sew a stop across both rows of teeth at end of zipper and clip excess off if necessary.

8 If the zipper extends beyond the opening, trim extra length.

MAKE 1 (M1)

Knit

For a left-slanting increase (M1L), insert left needle from front to back under strand between last stitch knitted and first stitch on left needle. Knit, twisting strand by working into loop at front of needle.

The result is a left-slanting increase.

Or, for a right-slanting increase (M1R), insert left needle from back to front under strand between last stitch knitted and first stitch on left needle. Knit, twisting strand by working into loop at back of needle.

The result is a right-slanting increase.

For a left-slanting increase (M1L), insert left needle from front to back under strand between last stitch worked and first stitch on left needle. Purl, twisting strand by working into loop at back of needle from left to right.

For a right-slanting increase (M1R), work as for Make 1 Right, Knit, EXCEPT purl.

2/2 LEFT CROSS (2/2 LC)

1 Slip 2 stitches onto a cable needle and hold (let it hang) to front of the knitting. Knit the next 2 stitches from the left needle.

2 Then, holding the cable needle in your left hand, knit the 2 stitches from the cable needle.

SSK

A left-slanting single decrease

- 1 Slip 2 stitches separately to right needle as if to knit.

- 2 Slip left needle into these 2 stitches from left to right and knit them together.

- 2 stitches become 1.
The result is a left-slanting decrease.

Bind-off ridge on wrong side

S2KP2, SL2-K1-P2SSO

A centered double decrease

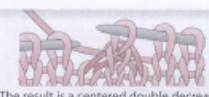

- 1 Slip 2 stitches together to right needle as if to knit.

- 2 Knit next stitch.

- 3 Pass 2 slipped stitches over knit stitch and off right needle: 3 stitches become 1; the center stitch is on top.

The result is a centered double decrease.

P2TOG (P3TOG)

- 1 Insert right needle into first 2 (3) stitches on left needle.

- 2 Purl these 2 (3) stitches together as if they were 1.
The result is a right-slanting decrease.

K2TOG (K3TOG)

A right-slanting single (double) decrease

- 1 Insert right needle into first 2 (3) stitches on left needle, beginning with second (third) stitch from end of left needle.

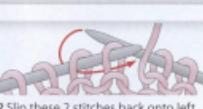

- 2 Knit these 2 (3) stitches together as if they were 1.

SSP

A left-slanting single decrease

- 1 Slip 2 stitches separately to right needle as if to knit.

- 2 Slip these 2 stitches back onto left needle. Insert right needle through their 'back loops' (into the second stitch and then the first).

- 3 Purl them together: 2 stitches become 1.

The result is a left-slanting decrease.

CHAIN STITCH

- 1 Make a slip knot to begin. 2 Catch yarn and draw through loop on hook (left). First chain made (right). Repeat Step 2.

- 1 With right needle behind left needle and right leg of stitch, insert needle into stitch...

- 2 ...and knit.

Work same as SSP EXCEPT: 1 Slip 3 stitches... 2 Slip these 3 stitches... into third stitch, then second, and then first. 3... 3 stitches become 1. The result is a left-slanting double decrease.

- 1 With right needle behind left needle and right leg of stitch, insert needle into stitch...

- 2 ...and knit.

Knit 1 row. Change to CC. Knit 2 rows. **Begin Chart 2** Work Rows 1–26 of chart. Leave stitches on needle.

Bottom edge

Remove temporary cast-on and place 231 (259, 287, 315, 343) stitches on second 80cm (32") needle.

With RS facing and MC, PUK15 along bottom edge of right front band, k231 (259, 287, 315, 343); then PUK15 along bottom edge of left front band — 261 (289, 317, 345, 373) stitches. Bind off in knit.

Mark placement of 3 buttonholes along right front collar, placing first marker at top of garter border and last marker at beginning of front neck shaping.

With RS facing and CC, PUK1 at beginning of row, work held front band stitches, PUK1 at end of row — 337 (343, 355, 371, 387) stitches.

Buttonhole row (WS) [Knit to 1 before marker, work 1-row buttonhole over next 3 stitches] 3 times, knit to end. With MC, knit 1 row. Bind off in knit. Sew sleeve cuff seams. Set in sleeves. Sew on buttons. □

Mosaic charts 3 ways

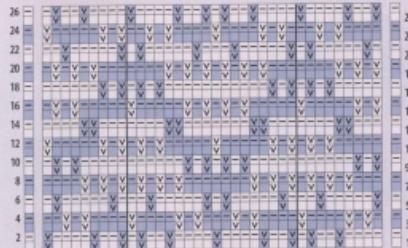

Although mosaics are 2-color patterns, only 1 yarn is used for each pair of rows. Change color at the beginning of every RS row.

The color of the first square of the chart row is the color of the yarn used for that row: Work Rows 3 and 4 with MC, slipping CC stitches; work Rows 5 and 6 with CC, slipping MC stitches, etc.

It is so easy: Follow the chart for RS rows; for WS rows, simply knit the stitches in the working color and slip the stitches in the non-working color (as shown on the Extended chart).

When you understand how Mosaic charts work, you'll see how easy it is to work—even from the Simplified chart.

Extended chart

This chart shows all rows and all slip stitches.

Mosaic chart

This chart combines RS and WS rows in one chart row and shows slip stitches.

Simplified chart

This chart combines RS and WS rows within one chart row and eliminates the slip-stitch V's. Here, color indicates which stitches are worked (the color of the first square) and which are slipped (the opposite color).

Cowl

Wind MC into four 12-yard balls (approximately 8 color repeats) for the 2-stitch separator bands. Try to start each ball at same color in repeat.

With larger needle and waste yarn, cast on 56. Work 4 rows in stockinette.

Row 1 (RS) Set up color placement as directed by Cowl diagram, knitting the wide color bands and purling the 2-stitch separator bands. **Row 2** (WS) Work across, purling the wide color bands and knitting the 2-stitch separator bands.

Repeat Rows 1 and 2 until piece measures 25", end with a WS row. Do not cut yarns. **Next row** With waste yarn, [p2, k16] 3 times, p2. Work 3 rows in stockinette. Bind off. Cut MC tails to 6". Cut B, C and E tails to 24".

With RS facing, fold into a tube so cast-on and bound-off edges align. Graft beginning and end of color stripes together, folding waste yarn areas out of the way (the waste yarn allows the stitches in those rows to lie flat; tracing the connections between waste and cowl yarns makes for a perfect join). Remove waste yarn. □

Neckband

With RS facing, 3.75mm/US5 needles, and A, pick up and knit (PUK) along neck edge at the following rates: 3 stitches for every 4 rows along vertical and diagonal edges AND 1 stitch for every bound-off stitch. **Next row** (WS) Knit. **Next row** Change to B, leaving a 12" tail. Knit 2 rows. **Next Row** (RS) K9, SSK, k3, SSK, knit to 5 after first shoulder seam, k2tog, knit to 7 before second shoulder seam, SSK, knit to last 16, k2tog, k3, k2tog, knit to end—6 stitches decreased. **Next row** (WS) Knit. **Next row** (RS) K11, SSK, knit to shoulder seam, decrease 4 evenly spaced across back neck, knit to last 13, k2tog, knit to end—6 stitches decreased. Bind off in knit.

Right Front Band

Row 1 With RS facing, 3.75mm/US5 needles, and A, beginning at lower Right Front above the bottom band, PUK 3 stitches for every 4 rows along the front edge of body including bottom band and neckband garter ridges worked in A. Do not turn. With the B neckband tail, PUK5 along the neckband garter ridges worked in B. **Row 2** (WS) With B, k5; with A, knit to end. Do not turn. Join B, then PUK5 along the bottom band garter ridges worked in B. With B, knit 4 rows across all stitches. Bind off in knit.

Left Front Band

Work as for Right Front Band EXCEPT on Row 1, begin PUK at left front neck below neckband and PUK5 stitches with B tail at bottom band. On Row 2, join B at neckband, then PUK5 stitches with B.

Set in sleeves. Sew sleeve seams. □

off 23 (29, 35) in knit, knit to last 23 (29,

, 35), then bind off to end in knit. Place

remaining 41 (46, 51) stitches on hold

for back neck.

Front

Work as for Back until piece measures approximately 21 (21½, 22"), end with Row 1, 3, 9, or 11. Mark center 25 (30, 35) for front neck.

Shape neck

If the shaping breaks up any yarn-over/decrease pair, do not work the yarn-over or the decrease; simply knit or purl to the next pair. Note that the yarn-over and decrease may not be next to each other.

Work to marker, place marked stitches on hold for front neck, join a second ball of yarn and work to end. Working both sides at the same time with separate balls of yarn, Dec 1 at each neck edge every RS row 8 times. Continue without shaping until armhole measures same as back to shoulder, end with a WS row. **Next Row (RS)** Purl, increasing or decreasing as necessary to 23 (29, 35) stitches at each shoulder. Bind off.

Finishing

Sew shoulder and side seams, skipping the welts.

Neckband

With RS facing and smaller needle, pick up and purl (PUP) around neck edge at the following rates: 2 stitches

for every 3 rows along vertical and diagonal edges AND 1 stitch for every stitch on hold. Purl 3 rows. Bind off loosely.

Armbands

Work as for Neckband.

Chart 1

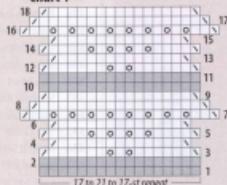

Chart 4

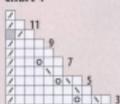

Chart 1 starts with a 17-stitch repeat, but changes on Rows 4–9 and 13–18. Care should be taken when decreasing for the neck to account for this variation.
